NailLegend – OEM & Private Label Capabilities

Your Spa & Body Care manufacturing partner. NailLegend manufactures spa, foot-care, bath and nail-care consumables for brands, distributors, and salon chains worldwide. From private-label runs with your logo to full OEM with custom formula, scent, color, and packaging – we build the product, you build the brand.

Why partner with NailLegend

- **10+ years** of OEM manufacturing for global B2B clients across North America, Europe, the Middle East, and Asia.
- **Two engagement levels** – Private Label (your branding on our proven formulas) and Full OEM (custom formula, format, color, scent, and packaging architecture).
- **Documentation support** – INCI ingredient lists and SDS provided to support your market registration and compliance.
- **Worldwide freight** – sea, air, and express shipping, with packaging engineered for transit.
- **One-business-day quotes** – send us your target market, volume, and branding level; we respond fast.

Standard terms (per category, unless noted): MOQ from **5,000 units/sets** · Lead time **25–35 days** (bulk) / **35–45 days** (custom private label) · Retail-ready and bulk packaging options.

Collection 1 · Foot & Pedicure Care

Foot Soak Tablets (Effervescent Spa Tablets)

Retail-ready effervescent tablets that fizz, color, and scent the water for a spa-grade foot soak. Our most-customized category, with 46 active SKUs and the widest range of finishes.

- **Formats we run:** classic effervescent, jelly salt, jelly spa, bubble spa, and foaming pedicure stages.
- **Popular actives:** Epsom salt for a mineral soak, menthol for cooling, tea tree for fresh feet, botanical and essential-oil scents.
- **Customization:** scent, color, pearl finish, tablet shape and weight, active loading, and packaging (individual moisture-barrier wrap, jars, blisters, gift sets).
- **Best for:** private-label foot-care brands, e-commerce sellers, and salon/spa service consumables.

MOQ 5,000 sets · Lead 25–35 / 35–45 days · Moisture-barrier packaging standard.

Bath & Foot Soak Salts

Mineral soak salts blended for relaxation, scent, and shelf appeal — from single-mineral soaks to layered, botanical-topped retail jars.

- **Salt bases:** Epsom (magnesium), Dead Sea minerals, Himalayan pink, sea salt — selected for benefit story and visual.
- **Finishing:** essential-oil and fragrance blends, cosmetic colorants, dried botanicals (lavender buds and more), grain sizes from fine to coarse.
- **Customization:** mineral blend, scent, color, botanical topping, grain size, and packaging (jars, pouches, sachets, gift sets).
- **Best for:** bath & body brands, gifting lines, spa retail shelves.

MOQ 5,000 units · Lead 25–35 / 35–45 days · Moisture-controlled packaging.

Callus Remover Gels

Professional and retail callus-softening gels for fast, comfortable pedicure results.

- **Two systems:** professional salon-grade and gentler retail formulas (urea / fruit-acid based).
- **Customization:** strength tier, gel texture and viscosity, scent, color, and packaging (salon bottles, retail tubes, applicator caps).
- **Compliance support:** usage directions, safety labeling, and SDS provided.
- **Best for:** salon supply distributors and pedicure-focused retail brands.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Hand & Foot Masks

Treatment masks that deliver intensive moisture, smoothing, or exfoliating peel results in a single retail-ready pack.

- **Formats:** essence-soaked bootie/glove masks and cream-type masks.
- **Benefit lines:** moisturizing (repair dry, cracked skin), exfoliating, and peeling ("baby-soft" results).
- **Customization:** essence formula and benefit claim, scent, sock/glove material, foil-pack artwork, single or multi-pack.
- **Best for:** foot-care and hand-care brands, gifting, e-commerce bundles.

MOQ 5,000 units · Lead 25–35 / 35–45 days · Individual foil-sachet packaging.

Collection 2 · Bath & Body Indulgence

Bath Bombs

Colorful, fragrant bath bombs engineered for a generous fizz and a skin-loving after-feel — built for social-media shelf appeal.

- **Customization:** shape and size, color layering, scent, surprise inclusions (dried flowers, shimmer), butter/oil enrichment, and gift packaging.
- **Finishes:** moisturizing (cocoa/shear butter), bubbling, shimmer, embedded inclusions.
- **Best for:** bath & body brands, gift sets, subscription boxes.

MOQ 5,000 units · Lead 25–35 / 35–45 days · Shrink-wrap or boxed; moisture-barrier transit packaging.

Sugar Scrubs

Exfoliating sugar scrubs that buff and nourish in one step, leaving a soft, conditioned finish.

- **Systems:** nourishing oil-based and rinse-clean emulsifying scrubs.
- **Customization:** sugar grain size, oil/butter blend, scent, color, and packaging (jars, tubes, gift sets).
- **Best for:** body-care brands, spa retail, gifting.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Body Butters

Rich, deeply nourishing body butters — from whipped, airy textures to dense balm-style finishes.

- **Hero ingredients:** shea, cocoa, and mango butters with conditioning carrier oils.
- **Customization:** butter blend and texture (whipped vs. dense), scent, color, and packaging (jars, tubes, gift sets).
- **Best for:** premium body-care and natural/clean beauty brands.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Cream & Mud Masks

Treatment masks for cleansing, smoothing, and intensive repair — clay-based mud masks and rich cream masks, including dedicated foot-repair formats.

- **Formats:** kaolin/bentonite mud masks and emollient cream masks.
- **Customization:** clay/active blend, scent, texture, and packaging (jars, tubes, foil sachets).
- **Best for:** facial and foot-care brands, spa retail.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Collection 3 · Massage & Spa Service

Massage Oils

Glide-optimized massage oils blended from premium carrier and essential oils, tuned for slip, absorption, and a non-greasy finish.

- **Carrier oils:** sweet almond, fractionated coconut (MCT), grapeseed, jojoba, and more — selected for feel and stability.
- **Customization:** carrier blend, essential-oil/aroma profile, slip and absorption tuning, and packaging (pump bottles, salon jugs, retail bottles).
- **Best for:** spa and massage-therapy supply, aromatherapy and wellness brands.

MOQ 5,000 units · Lead 25–35 / 35–45 days · Light-protective packaging.

Massage Lotions

Lightweight, fast-absorbing massage lotions that combine extended glide with a clean finish — the therapist's everyday workhorse.

- **Customization:** richness and absorption profile, scent, active add-ins, and packaging (pump bottles, salon jugs, retail tubes).
- **Best for:** massage and spa supply, body-care retail brands.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Collection 4 · Nail Care

Cuticle Oils

Nourishing cuticle and nail conditioning oils that soften, hydrate, and protect the nail fold — a daily-use favorite and a strong private-label hero.

- **Hero ingredients:** jojoba and other conditioning oils with vitamin E and signature aromas.
- **Formats:** dropper bottles, brush-cap bottles, and roller/pen applicators.
- **Customization:** oil blend, aroma, applicator format, and bottle/branding.
- **Best for:** nail-care and salon brands, gifting, e-commerce.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Cuticle Softeners & Removers

Salon and retail cuticle softeners and removers for fast, clean nail prep.

- **Range:** gentle softeners for everyday prep and stronger removers for professional results.
- **Customization:** strength tier, gel or liquid texture, scent, and packaging.
- **Pairs with:** our cuticle oils for a complete prep-and-care line.
- **Best for:** salon supply distributors and nail-care brands.

MOQ 5,000 units · Lead 25–35 / 35–45 days.

Collection 5 · Gifting

Soap Flowers

Hand-crafted soap flowers and bouquets — a fragrant, beautiful gifting product for weddings, holidays, and retail gift lines.

- **Customization:** flower type and color, bouquet arrangement, fragrance, gift box, foil-stamped logo, and greeting cards.
- **Note:** labor-crafted product; lead times and pricing reflect handwork and packaging complexity.
- **Best for:** gift and home-fragrance brands, wedding and event suppliers, seasonal retail.

MOQ 5,000 units · Lead 25–35 / 35–45 days · Gift-box packaging.

How we work

1. **Brief** — share your target market, product, branding level, packaging preference, and volume.
2. **Quote & proposal** — formula/format options and pricing, typically within one business day.
3. **Sampling** — pre-production samples for approval.
4. **Production & QC** — manufacturing with in-process quality checks.
5. **Documentation & shipping** — INCI/SDS support and worldwide freight to your door.

Request a quote

Tell us what you're building. Send your target market, target MOQ, branding level, and packaging preference — we'll come back within one business day.
